Dear Headmaster,

Greetings from Cheltenham College in the UK.

I understand that a rugby match (and homestay) is in the process of being arranged between your school and Cheltenham College during the school's rugby tour to Japan in August, 2017.

I would like you to know that our rugby players and the accompanying staff are greatly looking forward to these games and meeting your school's players and staff.

I would like to thank you for all the efforts made by yourself and members of staff in making this fixture possible, which I believe will be one of the most memorable moments of the tour in Japan for our boys.

I very much hope that the game will be a memorable one.

Yours sincerely

Crispin Dawson
Senior Deputy Head
